VERMIN VANQUISHER

Repellant Blocks

For a safer, effective, easy-to-use solution to rodent problems, look no further than **VERMIN VANQUISHER**.

Formulated with Fresh Air™ Technology, **VERMIN VANQUISHER** provides aromatherapy benefits of peppermint oil for the people who enter the area, but rodents will be naturally driven away.

VERMIN VANQUISHER:

- Naturally repels mice, rats, ground squirrels and bats.
- Contains no dangerous poisons.
- Bio-based and biodegradable.
- Is safer in use and for the environment when used as directed.
- Provides fresh peppermint fragrance.

Put **VERMIN VANQUISHER** to use to control and prevent the invasion of rodents in areas where they are not wanted. Place repellant blocks near nesting areas or areas rodents are known to hide or feed. **VERMIN VANQUISHER Repellant Blocks** work best in enclosed spaces, but can also be utilized around known entry points, such as inside and outside of garage openings or strategically placed around foundations.

USE IN:

- Storage Sheds
- Basements
- Drop Ceilings
- Eaves
- Utility Boxes
- Garages
- Barns
- Attics
- Cabinets
- Inside Wall Spaces

With regular protection from **VERMIN VANQUISHER** your rodent problems will vanish.
