# SIGN OFF

## Graffiti Remover

When vandals sign off on their “art work”, you can remove it safely and easily with SIGN OFF.

**SIGN OFF** is uniquely designed to be safe for both the user and the environment. **SIGN OFF** meets United’s Earth Smart® standards and it’s DfE approved as being recognized for safer chemistry. Best yet, this unique formulation provides the performance needed to remove graffiti from your hard surfaces.

**SIGN OFF** removes:

- Permanent Marker
- Spray Paint
- Ball Point Ink
- Crayon
- Marker Ink
- Lipstick

**SIGN OFF** works on a variety of surfaces when used according to dilution instructions:

- Plastics
- Laminates
- Metal
- Carpet
- Whiteboards
- Traffic Signs
- Brick
- Stone
- Concrete
- Most Painted Surfaces

Recognized for Safer Chemistry.

Diluting **SIGN OFF** for the appropriate applications at hand makes it the economical graffiti remover of choice.

**SIGN OFF** is proven safe for use on reflective surfaces of traffic signs.

Just spray this product on and wipe away your graffiti problems with **SIGN OFF**.
