# VERMIN VANQUISHER Repellant Blocks

Put **VERMIN VANQUISHER** to use to control and prevent the invasion of rodents (mice, rats, ground squirrels and bats) in areas where they are not wanted. **VERMIN VANQUISHER** provides aromatherapy benefits of peppermint oil for the people who enter the area, but mice, rats and other rodents will be naturally driven away.

### VERMIN VANQUISHER:

- Naturally repels mice, rats, ground squirrels and bats.
- Contains no dangerous poisons.
- Bio-based and biodegradable.
- Is safe for use and safe for the environment when used as directed.
- Provides fresh peppermint fragrance.
- Ingredient oils are derived from plant essential oils.

**Perfect for use in:** Storage sheds, utility boxes, garages, basements, attics, barns, drop ceilings, wall spaces and other areas where rodents may be a problem.

### DIRECTIONS FOR USE:

Place repellant blocks at known entry points, nesting areas or areas rodents are known to hide or feed. For prevention place one block in a 200 square foot space. Increase number of blocks depending on size of space and getting the desired results, spacing them throughout the area. For heavier infestations, use more from the beginning of treatment to drive the rodents out. Repels rodents on average for 30 days, depending on airflow. Do not place directly on furniture or fine finishes without testing in an inconspicuous area first.

**Storage:** Keep repellent blocks sealed tightly in their container until ready for use to maintain effectiveness.

### Active Ingredients:

Cornmint Oil .....	7.8%
White Pepper .....	5.0%
Peppermint Oil.....	2.0%
Total Active Ingredients:.....	14.8%
<b>Inert Ingredients*:</b> .....	<b>85.2%</b>
