DEODORIZING PELLETS

**Sprinkle On To Eliminate Garbage Odors,
Which Attract Flies, Insects and Rodents!**

Schools

Restaurants

Hotels and Motels

Municipal Buildings

Wastewater Treatment Facilities

- **NON-TOXIC**
Contains only natural organic ingredients. The ideal deodorant material for food preparation areas.
- **ECONOMICAL**
Concentrated granules deodorize offensive smells with just a light sprinkle.
- **ELIMINATES ODORS**
Contains citrus oils — will not attract insects and rodents.
- **ABSORBENT**
Dries up odorous liquid wastes like magic. Sprinkle on carpets to absorb musty stale odors when vacuumed.
