Looking for a safer way to kill weeds?

United 285

X-EMPT

Bio-Based Herbicide

X-EMPT is a total weed killer:
• Made with 100% GRAS Ingredients (Generally Recognized as Safe by FDA)
• Made with Food Grade Ingredients
• 100% Bio-based
• Earth Smart® Certified
• Safer to Use

This botanical post emergent acts as a desiccant by removing the waxy plant cuticle causing the plant to dehydrate. Spray weeds thoroughly and X-EMPT goes to work pulling all of the moisture out of the plant to kill it off.

When used as directed, safer for use around:
• Schools
• Playgrounds
• Recreational Fields
• Apartment Complexes

X-EMPT is:
• X-EMPT from standard U.S. EPA Registration
• X-EMPT from Harsh Chemicals
• X-EMPT from VOC’s
• X-EMPT from Danger to People
• X-EMPT from Weed Survival

X-EMPT is safer for people, but deadly for weeds. Broadleaf to narrow leaf, dandelions to grasses, X-EMPT will work to eliminate your weeds.
