Label elements

Emergency Overview

Warning

Hazard statements
Flammable liquid and vapor. Causes serious eye irritation. May cause damage to organs through prolonged or repeated exposure.
Prevention
Read label before use. If medical advice is needed, have product container or label at hand. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Wash hands thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing dust/fume/gas/mist/vapors/spray. Keep out of reach of children.

Response
If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison center/doctor if you feel unwell. If eye irritation persists: Get medical advice/attention. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower.

Storage
Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in well-ventilated area.

Disposal
Dispose of contents/container in accordance with local/regional/national/international regulations.

Hazard(s) not otherwise classified (HNOC)
In case of fire: Use for extinction: CO2, powder or water spray.

Environmental hazards
None known.

### 4. FIRST AID MEASURES

First aid measures

**Skin Contact**
Remove contaminated clothing. Wash exposed area with soap and water.

**Eye contact**
Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.

**Inhalation**
No further information available.

**Ingestion**
Rinse mouth with water. Do not induce vomiting.

**Most important symptoms and effects, both acute and delayed**
No further relevant information available.

**Indication of any immediate medical attention and special treatment needed**
No further relevant information available.
5. FIRE-FIGHTING MEASURES

Suitable extinguishing media
Extinguishing powder or water spray. CO2.

Unsuitable extinguishing media None known.

Protective equipment and precautions for firefighters
No special measures required.

Specific Methods
No further relevant information available.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

Personal precautions Not required. For personal protection, see Section 8 of this SDS.

Methods and material for containment and cleaning up

Methods for containment and for cleaning up Absorb liquid components with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).

7. HANDLING AND STORAGE

Precautions for safe handling

Advice on safe handling Use in well-ventilated areas. Observe good industrial hygiene practices.

Conditions for safe storage, including any incompatibilities

Storage Conditions Keep away from sources of heat and direct sunlight. Do not warehouse in subfreezing conditions. Store locked up.

Incompatible materials None known.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure Guidelines No Exposure limits noted for ingredient(s).

Biological limit values Xylene (1330-20-7) – 1.5 g/g creatinine – Urine.

Individual protection measures, such as personal protective equipment

Eye/face protection Tightly sealed goggles.
Skin and body protection  
Nitrile gloves. The glove material must be impermeable and resistant to the substance.

Respiratory protection  
Not required.

General Hygiene  
Wash hands after use. Do not eat or drink while working.

*Estimates for product may be based on additional component data not shown.

Skin/Eye irritation
No irritating effect on skin or eyes.

Sensitization
This product does not have any sensitizing effects.

STOT – SE
No information available.

STOT – RE
No information available.

12. ECOLOGICAL INFORMATION

Ecotoxicity
Hazardous for water, do not empty into drains.

Persistence and degradability
This product is degradable after prolonged exposure to natural weathering processes

Bioaccumulation
No Information available.

Mobility in Soil
No information available.

Other adverse effects
No other adverse environmental effects.

13. DISPOSAL CONSIDERATIONS

Disposal of wastes
Dispose of in accordance with local, state, and federal regulations. Do no puncture, incinerate or crush. Partially empty cans must be disposed of responsibly. Do not heat or cut empty containers with electric or gas torches. Completely empty cans should be recycled.

Local disposal regulations
Dispose in accordance with all applicable regulations.
14. TRANSPORT INFORMATION

This product meets the exception requirements of Section 173.150 as a limited quantity and may be shipped as a limited quantity. Limited quantities require the limited quantity diamond mark on cartons after 12/31/2020.

Emergency Overview

Warning

Hazard statements
Flammable liquid and vapor. Causes serious eye irritation. May cause damage to organs through prolonged or repeated exposure.
Prevention
Read label before use. If medical advice is needed, have product container or label at hand. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Wash hands thoroughly after handling. Keep out of reach of children. Wear protective gloves/protective clothing/eye protection/face protection. Do not breathe dust/fume/gas/mist/vapors/spray.

Response
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison center/doctor if you feel unwell. If eye irritation persists: Get medical advice/attention.

If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower.

Storage
Keep container tightly closed. Keep away from sources of heat and direct sunlight. Do not warehouse in subfreezing conditions.

Disposal
Dispose of contents/container in accordance with local/regional/national/international regulations.

Hazard(s) not otherwise classified (HNOC)
In case of fire: Use for extinction: C02, powder or water spray.

Environmental hazards
None known.

Label elements

Emergency Overview

Danger

Hazard statements
Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Causes serious eye irritation. Suspected of causing cancer. May cause respirator irritation. May cause drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure. If medical advice is needed, have product container or label at hand.
**Prevention**
Read label before use. If medical advice is needed, have product container or label at hand. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Obtain special instructions before use. Wash hands thoroughly after use. Keep out of reach of children. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye protection/face protection. Do not handle until all safety precautions have been read and understood. Avoid breathing dust/fume/gas/mist/vapors/spray.

**Response**
If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison center/doctor if you feel unwell. If eye irritation persists: Get medical advice/attention.

**Storage**
Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in well-ventilated area. Keep container tightly closed.

**Disposal**
Dispose of contents/container in accordance with local/regional/national/international regulations.

**Hazard(s) not otherwise classified (HNOC)**
Not classified.

**Environmental hazards**
None known.

### 4. FIRST AID MEASURES

**First aid measures**

**Skin Contact**
Remove contaminated clothing. Wash exposed area with soap and water.
Eye contact
Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.

Inhalation
Supply fresh air; consult doctor in case of complaints.

Ingestion
Rinse mouth water and drink plenty of water. Do not induce vomiting.

Most important symptoms and effects, both acute and delayed
May cause dizziness.

Indication of any immediate medical attention and special treatment needed
No further relevant information available.

5. FIRE-FIGHTING MEASURES

Suitable extinguishing media
Extinguishing powder or water spray. C02.

Unsuitable extinguishing media
None known.

Specific hazards arising from the chemical
Can form explosive gas-air mixtures.

Protective equipment and precautions for firefighters
As is any fire, wear self-contained breathing apparatus pressure demand, MSHA/NIOSH (approved or equivalent) and full protective gear. A respiratory protective device may be necessary.

Specific Methods
Use water spray to fight larger fires. Ventilate area.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

Personal precautions
Keep unnecessary personnel away. Wear appropriate protective equipment. Use respiratory protective device against the effects of fumes/dust/aerosol. For personal protection, see Section 8 of this SDS.

Environmental precautions
Do not contaminate water. Avoid discharge into drains, water courses or onto the ground.

Methods and material for containment and cleaning up

Methods for containment
Prevent further leakage or spillage into sewer systems or ground water. Eliminate all ignition sources (no smoking, flares, sparks or flames).

Methods for cleaning up
Prevent entry into waterways, sewers. Clean contaminated surface thoroughly to remove residual contamination.

7. HANDLING AND STORAGE

Precautions for safe handling
Keep away from heat, sparks, flame and other sources of ignition, and direct sunlight. Use in well ventilated areas. Keep away from children.
Conditions for safe storage, including any incompatibilities

Storage Conditions
Store locked up. Do not handle or store near flame, heat and sources of ignition. Avoid exposure to direct sunlight, exceeding 50°C/122°F. Do not warehouse in subfreezing conditions.

Incompatible materials
None known.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure Guidelines
No Exposure limits noted for ingredient(s).

NIOSH IDLH  Immediately Dangerous to Life or Health

Biological limit values
Acetone (67-64-1) – 50 mg/L – Urine / Methyl Isobutyl Ketone (108-10-1) – 1mg/L – Urine Xylene (1330-20-7) – 1.5 g/g creatinine - Urine

Appropriate engineering controls

Engineering Controls
Local exhaust is recommended.

Individual protection measures, such as personal protective equipment

Eye/face protection
Tightly sealed goggles.

Skin and body protection
Protective gloves. The glove material must be impermeable and resistant to the substance.

Respiratory protection
A respirator is generally not necessary when using this product outdoors or in large open areas. In cases where short and/or long term overexposure exists, a charcoal filter respirator should be worn. If you suspect overexposure conditions exist, please consult an authority on chemical hygiene.

General Hygiene
Keep away from foodstuffs and animal feed. Immediately remove all soiled and contaminated clothing. Wash hands after use. Avoid contact with the eyes and skin. Do not eat or drink while working.

### 10. STABILITY AND REACTIVITY

**Reactivity**
This product is stable and non-reactive under normal conditions of use, storage and transport.

**Chemical stability**
Material is stable at normal conditions.

**Possibility of Hazardous Reactions**
No dangerous reactions known.

**Conditions to avoid**
Do not allow can to exceed 120° F. Do not warehouse in subfreezing temperatures.

**Hazardous Decomposition Products**
No hazardous decomposition products are known.

**Incompatible materials**
No information available.

### 11. TOXICOLOGICAL INFORMATION

**Information on likely routes of exposure**

**Product Information**

- **Inhalation**
  May be fatal if swallowed and enters airways.

- **Eye contact**
  Direct contact with eyes may cause temporary irritation.

- **Skin Contact**
  No irritating effect.
Ingestion

May be fatal if swallowed and enters airways.

Symptoms related to the physical, chemical and toxicological characteristics

Direct contact with eyes may cause temporary irritation.

**Information on toxicological effects**

**Acute toxicity**

May be fatal if swallowed and enters airways.

*Estimates for product may be based on additional component data not shown.

**Skin/Eye irritation**

No irritant to skin. Irritating effect for eyes.

**Sensitization**

No information available to indicate product or any components present at greater than 0.1% are mutagenic or genotoxic.

**Germ cell mutagenicity**

This product is considered to be a carcinogen by IARC. Titanium Dioxide (13463-67-7)2B – Methyl Isobutyl ketone (108-10-1)2B – Xylene (1330-20-7)3. This product is not considered to be a carcinogen by NTP, ACGIH or OSHA.

**Carcinogenicity**

No Information available.

**STOT - single exposure**

No Information available.

**STOT - repeated exposure**

No Information available.

**Target organ effects**

No information available.

---

### 12. ECOLOGICAL INFORMATION

**Ecotoxicity**

Hazardous for water, do not empty into drains.

**Persistence and degradability**

This product is degradable after prolonged exposure to natural weathering processes.

**Bioaccumulation**

No Information available.

**Mobility in Soil**

No information available.

**Other adverse effects**

No other adverse environmental effects.
13. DISPOSAL CONSIDERATIONS

Disposal of wastes
Dispose of in accordance with local, state, and federal regulations. Do not puncture, incinerate or crush. Partially empty cans must be disposed of responsibly. Do not heat or cut empty containers with electric or gas torches. Completely empty cans should be recycled.

Local disposal regulations
Dispose in accordance with all applicable regulations.

14. TRANSPORT INFORMATION

This product meets the exception requirements of Section 173.306 as a limited quantity and may be shipped as a limited quantity. Until 12/31/2020, the "Consumer Commodity-ORM-D" marking may still be used in place of the new limited quantity diamond mark for packages of UN 1950 Aerosols. Limited quantities require the limited quantity diamond mark on cartons after 12/31/2020 and may be used now in place of the "Consumer Commodity ORM-D" marking and both may be displayed concurrently.

DOT

UN/ID No.       UN1950
Proper shipping name  Aerosols, flammable
Transport hazard class(es)  2.1

IATA

UN/ID No.       UN1950
UN proper shipping name  Aerosols, flammable
Transport hazard class(es)  2.1
Excepted quantities  Code: E0 – Not permitted as Excepted Quantity
Quantity limitations  On passenger aircraft/rail: 75kg
                        On cargo aircraft only: 150 kg

IMDG

UN/ID No.       UN1950
Proper shipping name  Aerosols, flammable
Limited quantities (LQ)  1L
Expected quantities  Code: E0 – Not permitted as Excepted Quantity
Marine Pollutant  No
Special precautions for user  Warning: Gases
EMS Number  F-D, S-U

15. REGULATORY INFORMATION

International Inventories

Country(s) or Region
Canada                  Yes*
Puerto Rico              Yes*
*Yes indicates this product complies with the inventory requirements administered by the governing country(s).

Legend:
TSCA - United States Toxic Substances Control Act Section 8(b) Inventory
DSL/NDSL - Canadian Domestic Substances List/Non-Domestic Substances List

US Federal Regulations

SARA 313 (Specific toxic chemical listings): Methyl Isobutyl Ketone (108-10-1), Xylene (Mix) (1330-20-7)

Superfund Amendments and Reauthorization Act of 1986

Acute health hazard                   Yes
Chronic Health Hazard                 No
Fire hazard                           Yes
Sudden release of pressure hazard: Yes

**SARA 355 (Extremely hazardous substance)**
None known.

**US State Regulations**

**Canadian Environmental Protection Act**
All hazardous ingredients for this product appear on the Canadian Domestic Substance List.

**EPA**
Acetone (67-64-1), Methyl Isobutyl Ketone (108-10-1), Isobutyl Acetate (110-19-0), Xylene, mix (1330-20-7).

**Consumer Product Safety Commission**
This product complies with 16 CFR 1303 and does not contain more than 90 ppm of lead.

**USDA (United States Department of Agriculture)**
Category 21: This product was manufactured to conform to the USDA Food Safety and Inspection Service performance standards. These standards include, but are not limited to, the ability of this product to be safe for use in official meat and poultry establishments, and to perform well under a daily regimen of thorough cleaning, cyclical temperature change, and wet conditions. This product may be used where there is a possibility of incidental food contact.

**California Proposition 65**
WARNING: This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. Titanium Dioxide (13463-67-7), Methyl Isobutyl Ketone (108-10-1), Ethyl Benzene (100-41-4), Carbon black
